**WE GROW, PRODUCE AND PROCESS
FROZEN AND ASEPTIC PUREE**

Conventional & Organic

Santiago de Chile

Maule Region,
Frucol Plants

We are a Chilean fruit producer, processor and exporter family owned company. We have more than 600 ha of orchards plantations in Maule region of Chile, place known for its great quality and fruit production, which allow us to stay present in the whole food chain until the exportation to final destinations.

We have a long tradition and experience with frozen IQF fruits, single strength purees and concentrates purees aseptically packaged. We do both, conventional and organic fruits for food service, industrial market or to be use in the retail segments.

We are in continuous search of improvement and keep the most important certifications of the industry. Our fruits; blueberry, raspberry, blackberry (cultivated and wild), cherry, peach, kiwi, apple, available on both frozen and puree format.

Please feel free to contact us to know more. We are looking forward to hear from you and collaborate in your production needs.
